A. P/21/0760/2 & P/21/0759/2 – Land off Melton Road Barrow upon Soar

- to note/comment on LCC Highways comments, enclosed with agenda.

Noted.

RESOLVED to submit the following comments to CBC:

Grove Lane/South Street junction – LCC highways has confirmed that they will not be installing any measures to control traffic at the junction. Could measures to improve the visibility at the junction please be included in the conditions?

Could measures to slow traffic down along Melton Road, Grove Lane and South Street be considered?

The 'natural balancing' referred to in the highways comments puts extra pressure on High Street which is already very busy during peak times and is gridlocked when Slash Lane is closed. Figures of the closures of Slash Lane will be included.

Travel Packs – whilst the Parish Council agrees travel packs are a good idea and supports the use of public transport, the public transport structure in Barrow upon Soar does not serve the estate and needs more services adding in order for it to be effective. Could LCC consider funding extra services?

139. DATE OF NEXT MEETING – 10TH FEBRUARY 10AM
